SRI BAPU RAO PATIL.—May I know what arrangements have been made to provide amenities to the agriculturists who come to the market yard for selling their goods and how much amount has been spent so far for this?

† SRI R. D. KITTUR.—As per the valuation certificate issued by the Deputy Commissioner, Bidar, the possession was taken for the purpose of formation of the market yard. The Tahsildar, Anrad has been requested to accord approval for the conversion of the land. Immediately after the receipt of this order, action will be taken to prepare a layout plan and the place will be shifted after providing the basic amenities to the users of this market yard.

SRI BAPU RAO PATIL.—As a result of the heavy marketing, the transaction in the market is affected and most of the agriculturists are going to Maharashtra to sell their produce. In order to check this practice, what steps the Government is going to take?

SRI R. D. KITTUR.—This is not true. Anyhow I will instruct the officers to examine this matter.

SRI BAPU RAO PATIL.—Whether the world Bank has come forward to finance this market yard?

SRI R. D. KITTUR.—No Sir.

SRI BAPU RAO PATIL.—Whether the market committee has purchased car; if so, when and what is the amount spent on this car?

SRI R. D. KITTUR.—They have not purchased any such vehicle.

SRI V. N. PATIL.—May I know whether he is aware that the Committee has purchased a car for the use of the market—for the information of the Hon'ble Minister that road is not there to make use of car, this being so, the car is used only as a luxury by some persons?

SRI R. D. KITTUR.—They have not purchased the car. Anyway I shall check up whether they have bought a car or not.

SRI BAPU RAO PATIL.—May I know whether the Government has taken up this question with the World Bank because they have got a scheme to help such projects?

SRI R. D. KITTUR.—The matter is under examination whether to include this project under the World Bank Project.

SRI V. M. GHADI.—I request the Chair kindly to take up my Question No. 864.

MADAM SPEAKER.—That Question No 864 is held over, as the Hon'ble Minister is not in the station.

### Construction of Bus Depot at Kusthagi

889 SRI KANTHA RAO BHIM RAO DESAI (Kushtagi).—Will the Minister for Transport and Tourism be pleased to state:—

(a) whether Government is aware that a Bus Depot has been sanctioned for Kushtagi, District Raichur;

(b) whether land has been acquired for it; if so, why no action to construct a bus depot has been taken?

SRI MD. ALI MEHTAB ALI (Minister for Transport and Tourism).—

(a) Yes.

(b) Land has been acquired. Construction of a Bus Depot will be taken up at the time of implementation of Scheme of Nationalisation of Passenger Transport in Koppal Pocket (Raichur District).

SRI KANTHA RAO BHIM RAO DESAI.—The answer that has been furnished to my question is very vague. Will you please state the time required to take up the construction work of this Depot?

† SRI M. MOHAMMED ALI.—The construction of a Depot is subject to the nationalisation of Koppal pocket scheme. The moment the scheme is nationalised, the Transport Corporation will add on another 150 buses to the Raichur Division; that will necessitate a depot at Kushtagi. Therefore the sanction is subject to the question of nationalisation of Koppal pocket.

SRI V. N. PATIL.—Will the Government assure us that nationalisation of Raichur District will be taken up immediately and the construction will be taken up?

SRI M. MOHAMMED ALI.—The scheme has been published, and it has got to run through the judicial and the legal procedure. I hope a decision will be forthcoming soon.

SRI PAFU RAO PATIL.—When the land was acquired, it was acquired for the specific purpose of having a depot, when you do not require a land where was the need to acquire this land?

SRI M. MOHAMMED ALI.—The land was acquired in anticipation of nationalisation. We cannot all of a sudden acquire the land. Therefore the land was acquired in anticipation of nationalisation.

SRI MADAM SPEAKER.—Now Question are over.
